

## UNITY – Hakhel Song

By 8<sup>th</sup> Day

### Chorus:

(HEBREW) Hakhel Es Ha'am.  
Unite the nation.  
HEBREW) Hakhel Es Ha'am.  
Unite the world.

Reach across the cities  
Hands across the seas  
Heart beats together  
It's the sound of unity

We're linked in a chain  
to change the world.  
When you feel the strength  
you spread the word.  
We're linked in a chain  
to change the world.  
When we get together  
our voice is heard.

### Chorus

Flashback to Sinai  
Great thunder smoke and lightning  
We're on a mission  
Young and old we're uniting

We're linked in a chain  
to change the world.  
When you feel the strength  
you spread the word.  
We're linked in a chain  
to change the world.  
When we get together  
our voice is heard.

### Chorus

Gather round the mountain  
The elders and the youth  
Gather the mitzvah  
Calling all the troops.  
Gather round the mountain  
The elders and the youth  
Gather the mitzvah  
Calling all the troops.
